# INTRODUCTION

ONE LOCATION,  
VARIED SIZE OPTIONS.

## LARGE FORMAT

The grand size of SIMERO slabs creates luxurious and spacious decor for all kinds of residential and commercial places. With these big-sized tiles, the grout lines decrease in the space giving it a clean and seamless look.

## CUSTOMIZATION

The slabs by SIMERO are easy to customise making them perfectly fit for different applications and spaces.

## EASY INSTALLATION

SIMERO breaks the myth of large-sized tiles being difficult to install with its mega-sized slabs that are super easy to handle and install.

# FEATURES + APPLICATION AREAS

SIMERO and its collections are diligently and meticulously crafted. The thoroughly designed surfaces are made feature-rich for easy use and maintenance and are versatile for extensive application.

The surfaces are ideal for application in residential and commercial spaces and come with attributes to facilitate an effortless lifestyle with features like resistance from stains, heat, scratches, and more.
